This information sheet is intended to provide basic information and rules for this activity. Please refer to the "Policies" link on the home page of the intramural web page for detailed information about policies and procedures of the Intramural Activities Program.

ENTRIES OPEN

June 30 – July 7, 2009 (Entries are limited and are on a first come, first served basis.)

CLASSIFICATION:

Each player will need to fill out a questionnaire in order to be classified. Please be honest in filling out the questionnaire. This information will determine the division each player will play in and we would like all participants to have an enjoyable playing experience.

ELIGIBILITY

Summer 2009 full-time students (6 credits), and faculty/staff are eligible. Part-time students, deferred students, non-students, and spouses of students must pay an intramural activity fee for each semester in which they participate. Non-students must be active members of a BYU ward and their membership records must reside in the BYU ward that they attend.

The intramural activity fee is paid at the HHP College Services Office in 112 Richards Building. The cost is \$20.00 per semester during fall/winter and \$10.00 for spring/summer. A BYU ID or BYU Net ID with valid picture ID is required at time of payment. This fee will enable a participant to compete in any intramural activity during the appropriate semester.

TENNIS RULES

In both classification and tournament play, one pro-set (8 games) will determine the winner. The first player to win four points wins each game in a pro set, no "advantage" points are used. In the event of a tie at 8-8, a nine-point tiebreaker system will be employed (see details below). Other than the pro-set format, the ITF Rules of Tennis rules will apply.

Tiebreaker System

With team "A" having served the first game of the set, they serve points 1&2, right and left; then team "B" serves points 3 &4, right and left. The teams change ends and team "A" then serves points 5&6 in the same order. Team "B" serves points 7&8, right and left and if the score reaches 4 points all, team "B" serves point 9, right *or* left *at the election of team "A"*. The first team to win 5 points wins the game and set.
